

ENERGY &
MANUFACTURING
SYSTEMS

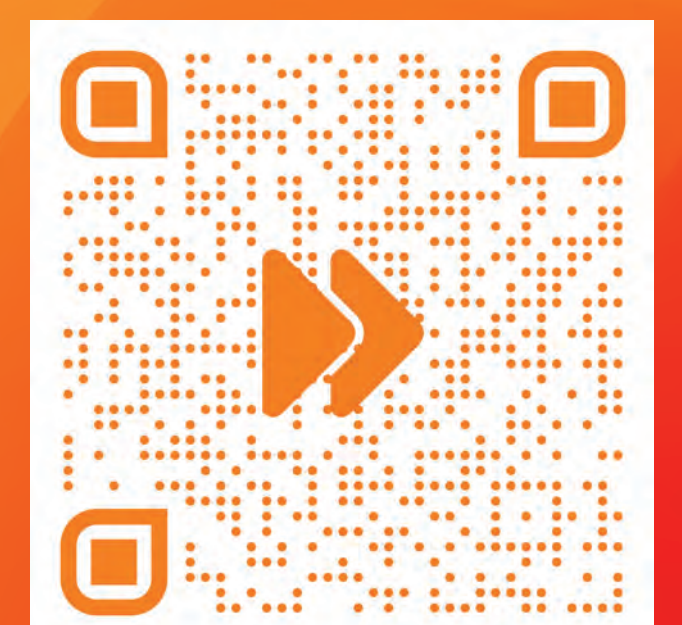

“West-MEC helped me start my career by offering dual enrollment credits for the Industrial Manufacturing and Emerging Technologies program at EMCC. I used those credits to complete my associates degree and became a Maintenance Mechanic. After three years, I am now an Instrument Control Technician with the City of Goodyear.”

- Luis Baeza

**COMPANIES HIRING
WEST-MEC STUDENTS:**

- American Pasta
- Cardinal Glass
- City of Goodyear
- Cornell Doors
- Desert Services International Inc.
