Enrollment for in-demand programs opens at West-MEC

Glendale, Ariz. (November, 2021)-- West-MEC, a Career and Technical Education (CTE) public school district in the valley is now accepting applications for the 2022-2023 school year. High school students living within the boundaries of Northern and Western Metropolitan Phoenix, can apply for any of West-MEC's offerings.

With 28 in-demand programs across four campuses, students have a plethora of options to choose from based on their interests and future goals. Some of the fields in which programs are available are Health Science, Information Technology and Architecture and Construction. Apart from industry-standard instruction and hands-on training, leadership and potential internship opportunities are integrated into programs. Lead central programs recruiter, Maya Milhon said, "We encourage students to apply before winter break to be a part of the priority registration group."

Students are invited to attend open houses to discover new career pathways and participate in application workshops. A significant number of West-MEC programs are eligible for college credit thanks to partnerships with various state community colleges and universities. Information on programs and campus open houses can be found on the website (west-mec.edu).

About West-MEC:

West-MEC is a career technical education public school district that focuses solely on innovative career and technical education (CTE) programs that prepare students to enter the workforce and pursue continuing education. West-MEC CTE programs provide students opportunities to earn college credit and industry credentials. West-MEC serves more than 37,000 students from 48 high schools, across 3,876 square miles in the northern and western cities of the Phoenix Metropolitan area. West-MEC now also offers adult education programs. Visit www.west-mec.edu for more information about West-MEC's career-driven education opportunities or follow us on Facebook, Twitter, and Instagram.
