### **West-MEC Offering Summer Fast Forward Event For All Incoming, Current and Alumni Students**

**GLENDALE, Ariz. (June 28, 2023)** – On July 11, West-MEC will be hosting its Summer Fast Forward event at the Northwest Campus from 9:30 a.m. - 2:00 p.m.

The event is open to all incoming, current and alumni West-MEC students. Students will hear from a variety of different experts, including a professional LinkedIn consultant, a Rummel Construction professional, a member of the National Guard, and West-MEC alumni.

“If you’re looking for something fun and free to do this summer, join us at West-MEC for the Summer Fast Forward event. Come to learn from experts and employers on how you can champion your future,” said West-MEC Career Services Director, Jessica Putton.

The LinkedIn consultant will help students network and create their brand, along with taking headshots for LinkedIn. The Rummel Construction professional will speak on what professional skills are needed to be successful in the workplace and the National Guard member will present a resiliency workshop, and West-MEC alumni will speak to their experiences after West-MEC.

If you are an incoming, current or former West-MEC student, come learn how to level up your marketability and employability.

#### **About West-MEC:**

**West-MEC is a career technical education public school district focusing solely on innovative career and technical education (CTE) programs that prepare students to enter the workforce and pursue continuing education. West-MEC CTE programs provide students opportunities to earn college credit and industry credentials.
