### **West-MEC launches new ‘Generation Orange’ podcast**

The Western Maricopa Education Center ([West-MEC](#)) communications team is proud to announce its new district-centric podcast, ‘[Generation Orange](#).’

West-MEC is a public career technical education district in the north and west regions of Maricopa County. The aim of the podcast, which published its first episode on March 12, will be to inform those interested in career and technical education about the interesting and inspiring people in and around the district. The aim of the podcast is to increase awareness on the benefits of career and technical education while celebrating the stories and successes of our West-MEC Community.

Generation Orange will feature regular interviews with staff, industry partners, alumni and more, giving listeners a variety of choices and interesting people to hear from.

In episode one, West-MEC Communications Specialist Eric Newman sat down with Superintendent Greg Donovan to speak about his career and vision for the district.

Those interested in listening to Generation Orange can visit the West-MEC Soundcloud page at <https://soundcloud.com/user-9194064>, where West-MEC will host all of its podcast audio moving forward.

### **About West-MEC:**

**West-MEC is a career technical education public school district that focuses solely on innovative career and technical education (CTE) programs that prepare students to enter the workforce and pursue continuing education. West-MEC CTE programs provide students opportunities to earn college credit and industry**

**credentials. West-MEC serves more than 37,000 students from 48 high schools, across 3,800 square miles in the northern and western cities of the Phoenix Metropolitan area. West-MEC now also offers adult education programs. Visit [www.west-mec.edu](http://www.west-mec.edu) for more information about West-MEC's career-driven education opportunities or follow us on Facebook, Twitter, and Instagram.**
