

## ONE-YEAR PROGRAM - 200-Program Hours

### In Partnership with Maricopa Community Colleges

- Experience the satisfaction of being a first responder, saving lives, fighting fires, and contributing to a safe community
- Operate a wide range of firefighting and life-saving equipment alongside professional firefighters and EMTs
- Develop your mind and body through rigorous mental and physical training

A Program of Study in Emergency Response and Operations in partnership with Maricopa Community Colleges consists of Fire Science for one year and by Emergency Medical Technician (EMT) for one year. Successfully completing the West-MEC Fire Science and EMT courses and certifications enable students to meet the three (3) prerequisites needed for admission to the Glendale Community College Fire Department Operations course, widely known as the "Fire Academy." The "Fire Academy" is specifically for students seeking a career in fire service.

## CREDITS ISSUED BY WEST-MEC

- High School - 2 elective credits (1 elective credit per semester), and on track for graduation
- This program satisfies AZ university's admissions requirements. (AZ Board of Regents CTE/Fine Arts credit)
- A student who withdraws from the West-MEC program may receive concurrent college credit based on the number of completed courses.

## Post-Secondary Opportunity (Options)

- This program, in partnership with Maricopa Colleges, provides Concurrent Enrollment college credits for students. Concurrent Enrollment means that students earn college credits for classes taught at the college campus, by college faculty. Upon the completion of the program, the credits transfer to specific degrees at a community college or university.
- A college admissions application and registration form will need to be completed by interested students.
- West-MEC pays the students' college tuition (in-state only; non-resident is responsible for the difference between in-state and out-of-state tuition). Students are responsible for college textbooks and uniforms.
- Details about Concurrent Enrollment credits and post-secondary pathways are updated on our website <https://west-mec.edu/dual-enrollment>
