

# Emergency Medical Technology (EMT)

ONE-YEAR - 260-hour program

## PARTNERSHIP WITH MARICOPA COMMUNITY COLLEGES

- Deliver critical life-support care using a wide variety of medical and diagnostic equipment.
- Experience fast-paced emergency situations where your actions make a difference.
- Treat a wide range of patient conditions through a deep understanding of the human body.

A Program of Study in Emergency Response and Operations in partnership with Maricopa Community Colleges consists of Fire Science for one year and by Emergency Medical Technician (EMT) for one year. Successfully completing the

West-MEC Fire Science and EMT courses and certifications enable students to meet the three (3) prerequisites needed for admission to the Glendale Community College Fire Department Operations course, widely known as the "Fire Academy." The "Fire Academy" is specifically for students seeking a career in fire service. Additionally, students who complete the West-Mec EMT program and CPR will fulfill several prerequisites needed for admission to the Glendale Community College Paramedic Program.
